

# Tour the States Lyrics

Renald Francoeur

I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on tour without a care  
I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on a tour, tour, tour

First, I'm gonna see Nashville, Tennessee  
Then Madison, Wisconsin, is where I gotta be, yeah  
Then I'll take a plane  
Well actually I'm afraid to fly, so I think I'll take the train  
Let's go!

Going to Trenton, New Jersey; Frankfurt, Kentucky  
Maybe take a trip to Jackson, Mississippi  
Let's see what they can show me in Jefferson City, Missouri  
Santa Fe, New Mexico; Denver, Colorado  
Boise, Idaho, I love it every time that I go

In 1492, he sailed the ocean blue, but next week I'll see Columbus in Ohio  
Grab a little sunshine in Tallahassee, Florida  
Take a bite out a peach in Atlanta, Georgia  
I've never been to Carson City, in Nevada, or Lincoln, Nebraska  
You can catch me in Phoenix, Arizona, or Sacramento, California, yeah

St. Paul, Minnesota, maybe, Juneau, Alaska, yeah

I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on tour without a care  
I want to take a little trip somewhere, yeah

Places I've never been, yeah  
Going on a tour, tour, tour

Boston, Massachusetts; Concord, New Hampshire  
Going to Vermont for Montpelier  
Montgomery, Alabama, then Washington D.C., to see the nation's capital

Aloha to Honolulu, Hawaii  
Des Moines, Iowa, so peaceful to me  
Going to Springfield, Illinois, to build a little house on a prairie  
In Little Rock, Arkansas, I love what I saw  
Going back to Dover, Delaware, 'cause I want more

Indianapolis, Indiana, and Hartford, Connecticut, need an encore  
Smelling pine trees in Augusta, Maine  
I like Topeka, Kansas, I'm glad that I came  
But I've never been to Salt Lake City, in the Utah, or Richmond, Virginia

Going to see Bismarck, North Dakota, and Charleston, West Virginia, yeah  
Annapolis, Maryland, maybe Lansing, Michigan, yeah  
Helena, Montana; Columbia, South Carolina  
Got to go to Pierre, South Dakota, yeah, follow if you wanna  
I'll be eating a banana in Baton Rouge, Louisiana  
Schedule that on my planner

Friends say I gotta come sooner to Oklahoma City, Oklahoma  
So I guess I'm gonna  
But first I'm going to Cheyenne, Wyoming, then party in Raleigh, North Carolina  
Harrisburg, Pennsylvania, can't think of a rhyme for Pennsylvania

So I'm skipping to Salem, Oregon, then Austin, Texas  
And then maybe Albany, New York, for breakfast  
Providence, Rhode Island, was a blast, and, Olympia, Washington, was just the best-  
est

I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on tour without a care  
I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on a tour, tour, tour  
I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on tour without a care  
I want to take a little trip somewhere, yeah  
Places I've never been, yeah  
Going on a tour, tour, tour
